PREFACE.

THE REGISTERS OF LULLINGSTONE are contained in two volumes :—

Vol. I, composed of 13 vellum leaves (of which one is blank), is a modern leather cover inscribed "LULLINGSTONE REGISTER COMMENCING 1578." The first leaf contains inductions, the next four (one side of one blank) the baptisms, the next quite blank, then three for marriages, the remaining four for burials, and one torn out at end. It is in fair condition and easily read and is an interesting record of the Hart and Dyke families, the other entries being chiefly their connections and dependents, so the whole interest of the Register centres round the Castle. The cover measures 13 by 6 and the leaves roughly $11\frac{1}{4}$ by $5\frac{1}{4}$.

Vol. II is a sheepskin book with metal clasps with "LULLINGSTONE" on red label on front cover and below a sheet of paper with initial "D" gummed on with "Baptisms one end of the Book, Burials in the centre and Marriages the other end." It measures $15\frac{1}{2}$ by $9\frac{3}{4}$. It is a marriage book printed and sold by J. Coles, Stationer in Fleet St., 1754; the marriages forms are not printed as is usual in these volumes, but the whole thing is written, and there are 13 marriages. After the lined pages come a number of perfectly blank leaves without lines, on one of which banns are written, one is devoted to burials and three to baptisms.

There are a few loose papers, such as Licence of Marriage of Thomas Kebbel in 1822; two dispensations to John Kemble, Rector, to be absent from the Parish, there being no Parsonage; and a copy of Burial of Robert Fountaine at Sutton at Hone in 1818, &c.

The Registers were copied in 1906 from a copy made by the Rev. C. H. Fielding and revised and corrected from the originals, 9 Sept., 1908, by T. C. Colyer-Fergusson, Esq., of Ightham Mote, who has very kindly placed the transcript for printing at the disposal of the Parish Register Society, thus saving the Society the cost of transcription.

The Parish Register Society wish to place on record its appreciation of Mr. Colyer-Fergusson's kind act.
